### ANNE-MARIE HOWARTH

Founder and Director of Paralogic

Incontinence products are not optional for our customers, affordability and reliability are critical and I know this from personal experience. This means we prioritise and deliver on these things better than anyone else.

We keep an extensive stock of products, so most orders are shipped the same day.

The ordering experience is easy: online, by phone, or email and if you have questions, our staff are experienced and knowledgeable - we welcome the chance to talk.

We hope you'll choose Paralogic as your preferred catheter supplier. We're here to help.
